

2017 SEMILLON SAUVIGNON BLANC

Fruit from dry grown, old Semillon vines has been blended with southern Margaret River Sauvignon Blanc for the 2017 Frog Belly Semillon Sauvignon Blanc. Both varieties benefitted from below average minimum temperatures and moderate maximums to delivery highly aromatic well structured wines of outstanding quality.

Viticulturist	Glen Harding
Variety	Semillon 55%, Sauvignon Blanc 45%
Fruit source	Margaret River
Cellaring	Drink now to 2019
Colour	Pale straw with faint green tinges.
Aroma	Highly aromatic wine with the varietal nature of fresh cut grass and hints of snap peas from the Semillon overlaid with tropical freshness of passionfruit and guava of the Sauvignon Blanc.
Palate	The palate is fresh and vibrant with tropical guava and passionfruit and a zesty citrus finish. A lively forward palette with great length of flavour and a crisp clean finish.
Alcohol	11.5%
pH:	3.13
TA	6.77 g/L
G + F	1.92 g/L
